Contact Report Donor Name: Dr. Robert C. Hernandez Contact Type: Lunch Meeting Date: [Insert Date] Discussion Summary: During our lunch meeting, we discussed the possibility of scheduling an internal debrief regarding Treasure House's mission and operations. As Mr. Hernandez expressed interest in supporting the construction of a new environmental studies building, it is important for him to fully understand our organization's work and vision. Action Items/Follow-up Steps: - Provide Mr. Hernandez with detailed information about Treasure House's history, mission, programs, leadership, and key giving opportunities. - Schedule an internal debrief meeting where Mr. Hernandez can learn more about Treasure House's work and impact. - Discuss specific ways Mr. Hernandez can support the construction of the new environmental studies building. Next Steps/Scheduled Follow-up Date: Mr. Hernandez has expressed his intent to support the construction of the new environmental studies building. Therefore, it is crucial for us to maintain communication with him and update him on any progress or changes related to this project. Donor Details: Mr. Hernandez is a long-time supporter of nonprofit organizations, having given significantly over the years. His greatest gift was \$500,000 made in October 2017 towards an acquisition fund. Mr. Hernandez has also shown his commitment to our cause through various forms of involvement such as board membership and volunteer work. We look forward to continuing this fruitful relationship with Mr. Hernandez and are optimistic about his potential contribution towards the new environmental studies building. Prepared

12/20/2023 – Action Notes Summary from 12-20-2023 (AI Notes Summary)

On December 19th, a meeting took place between the speaker and Robert and his wife Betty. Betty expressed her dissatisfaction with the decision to stop funding programs in Nicaragua, her home country. They discussed potential funding opportunities in other areas of Central America, particularly showing interest in a girls' school in Panama. However, Robert mentioned that he does not plan to increase his donations this year due to the economic climate. On December 18th, another meeting was held to discuss potential projects for funding in South America in 2024. One of the projects mentioned was a girls' school in Panama that requires a new roof, latrines, and books, with a proposal value of \$10,000. Prior to these meetings, a phone call was made to set up a meeting with Robert on December 19th at a Starbucks near his home in Tampa, FL at 10am to discuss the impact of his support for the Nicaragua projects.
